Bonus challenge

On Thursday and Friday last time, 100 people a day wanted your Dublin and Paris flights, but you only had 57 seats. Can you get further than Friday this time, and make it to the week 1 accounts on Sunday 8 September?

Where to look: profit for a day is on its Day page; a week's profit is the total you work out in the Sunday accounts; your cash and stars are at the top right of every screen.
